About Us

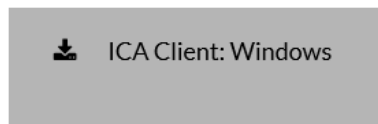

Request Demo

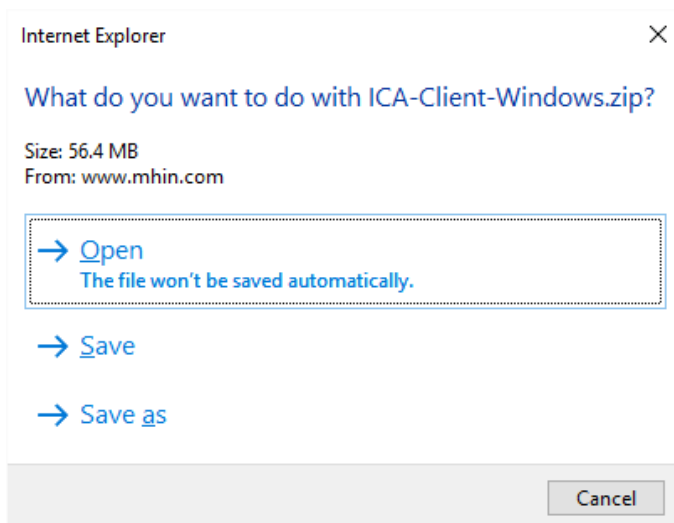

- Click the **SOFTWARE DOWNLOADS** button.

- Click ICA Client: Windows.

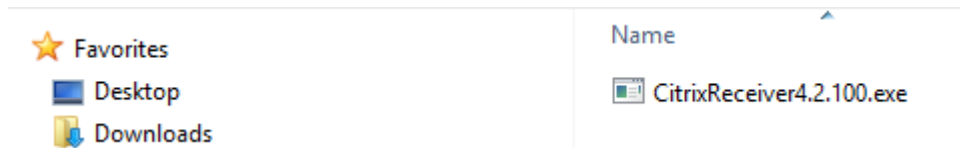

- The Windows Internet Explorer window will appear. Click **Save**.

- Once downloaded, Click **Open**.

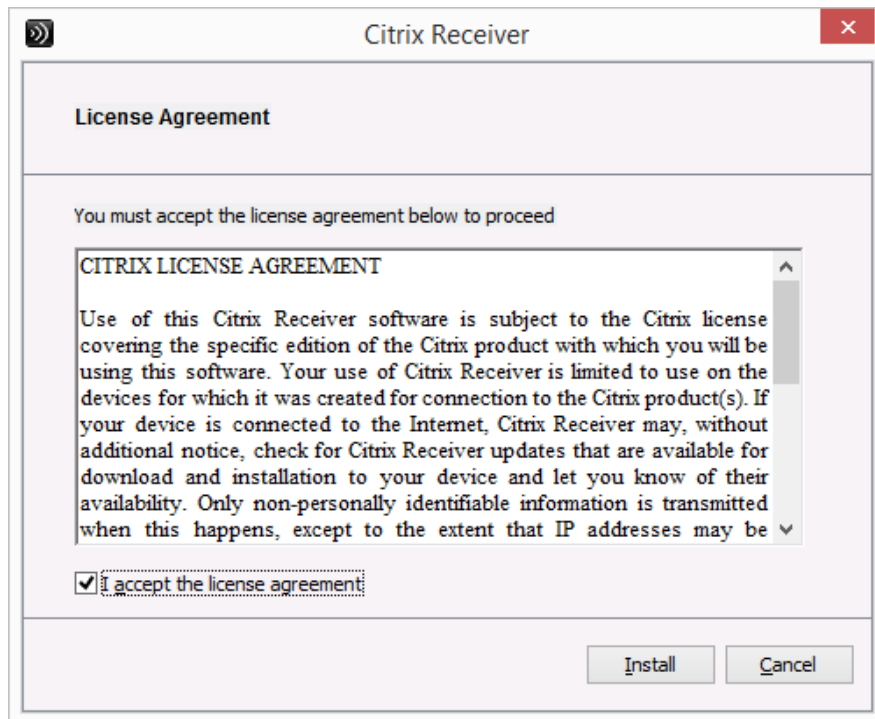

- Double click on **CitrixReceiver4.2.100.exe**

- If you receive a security warning, click Yes to proceed to the install.
- When the Citrix Receiver box appears, click on **Next**.

- On the License Agreement screen, click the check box for **I accept the license agreement** and click **Install**.

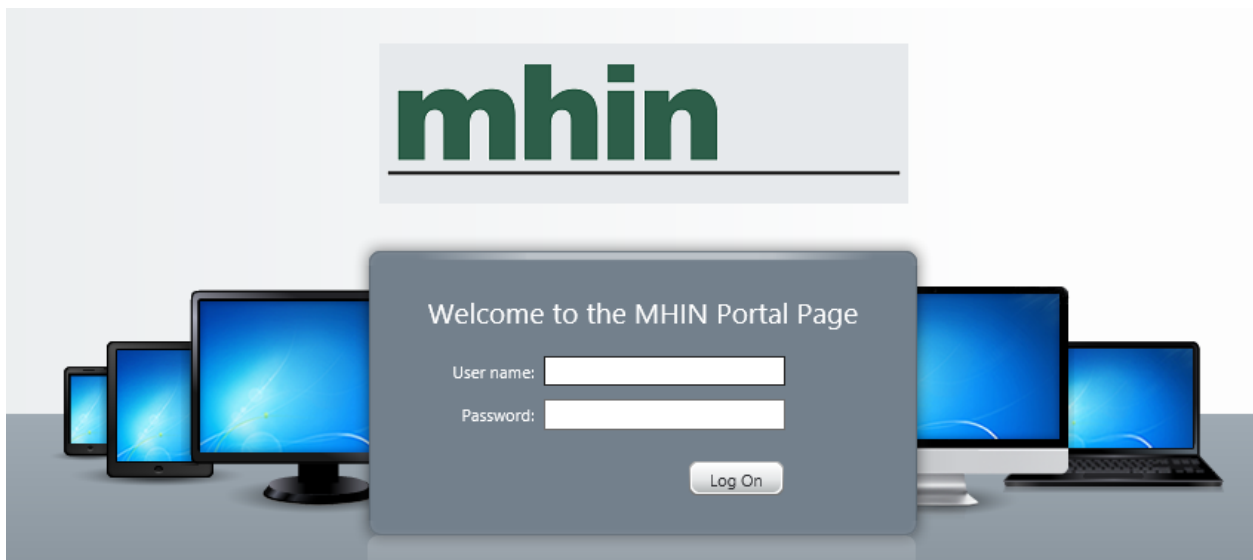

- You will receive a final screen from the Citrix Receiver indicating it was installed successfully. Click **Finish**.

- After the installation is complete, log into the MHIN Website by clicking the **LOGIN** button at the top right of the screen.

mhin

- You will be redirected to the **MHIN Portal Page**. Enter your credentials and click **Log On**.

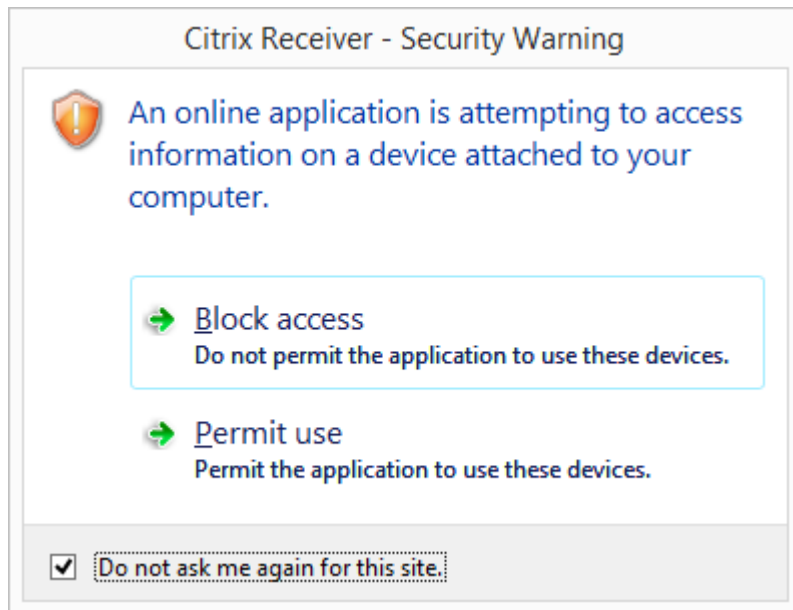

- Click **POWERCHART APP** to launch the application.

- If you are prompted to open or save the launch.ica from pc.mhin.com window, select **Open**.

- When you receive the **Citrix Receiver – Security Warning**, check the box for **Do not ask me again for this site** and select **Permit use**.

- You are now able to sign into **MHIN Powerchart**.
